## Schools rule set

ICS is having a school rule set which contain necessary limits for students in accordance to 436-Federal Law of Russian Federation. You may apply it for users and groups which need to be limited with specific accesses.

It contain the following rules:

- 1. Forbid «bad sites» (pornography, viruses, social networks etc...)
- 2. Allow Yandex search engine results via «family search» type only
- 3. Scan traffic with content-filter
